

## *Event Purpose:*

Jordan Babineaux of the Seattle Seahawks and Jonathan Babineaux of the Atlanta Falcons co-founded the Babineaux Family Foundation in 2005 to organize a non-profit organization to facilitate community development and research for lupus. Since then, the organization has raised moneys to research where a community center will serve the best purpose, raised awareness of the debilitating disease of Lupus, and has held for benefit events for these two causes.

Each offseason the foundation hosts the biggest event of the year, ***The Babineaux Family Foundation NFL Charity Golf Tournament*** to raise money for the purpose of proactive community involvement.

Your participation in helping the philanthropic endeavors of the Babineaux Brothers will result in making this event a great success
